

Town of Sudlersville
Planning Commission Meeting
February 16, 2017

Chairman Ford called the meeting to order at 7:00 PM. Ford led the Pledge of Allegiance.

Present were: Chairman Ford, Faye Williams, Sue Elter and David Ruffner.

The minutes of the January 19, 2017 were approved as submitted with a motion by Elter and a second by Ruffner; a vote of 4-0 was entered.

The building permit log was reviewed. The building permit for the Elementary School was discussed.

Ford attended a QAC COG meeting where they discussed medical marijuana growth, production, and distribution in the County. The QAC Ordinance and the Church Hill Ordinance that discusses medical marijuana were reviewed and discussed. There were arguments for and against medical marijuana growth, production, and distribution within the town limits of Sudlersville. Topics discussed in detail were: allowing growth within town limits, what properties could be used for this use and how those properties are in relation to the schools, recreational marijuana being the next topic that will come along, drug addiction across the state and within the town, security requirements of this type of operation, how these operations can bring revenues to the town.

It was decided that everyone would think about this topic because it will need to be discussed in the future.

With no further business to discuss; the meeting was adjourned at 8:00 PM.

Respectfully Submitted,

Michelle Marshall
Town Clerk-Treasurer
